

# INTERCOOLER FULL PIPING KIT GT-R (CBA-R35)

## 【Features】

- SQV4 is added to the Piping Kit (P/N 13002-AN003).
- Replacing the factory rubber hose with the aluminum pipes included in this kit improves durability under high boost pressure.
- Pipe diameter was enlarged to 65mm from 60mm. It supports high power performance.
- Provided purple silicone hoses have HKS logo on.
- Buff polished aluminum pipes improved the appearance in the engine compartment.
- This kit is included in the GT570 and GT600 kits.

## 【Kit Parts】

- Inlet Pipe x 2 Outlet Pipe x 4 Silicone Hose x 10 SQV4 Kit x 1 (Hardware necessary to install this kit is included.)
