

Racing Extension (R35 GT-R)

The extension included in GT570 & GT600 Racing Package for R35 GT-R is available separately.

Its Catalyzer straight design is the best to use for time attack vehicles.

Note) This product is for off-road use only due to the absence of catalyzer.

**Kit Parts**

Extension (Left bank / Right bank)

●Racing Extension Kit

Vehicle	Model	Engine	Year	Code No.	Price	Remarks
GT-R	R35	VR35DETT	07/12-	14018-AN004		Only for off-road use
