HKS STYLING PERFORMANCE  
**XV (DBA-GP7) / XV HYBRID (DAA-GPE)**

**Code No. 32018-AF012**

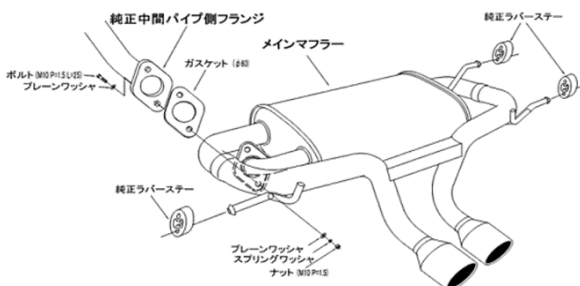

## Center-positioned Dual Exhaust Tips give More Energetic Impression!

Stainless 76.3mm round tips are positioned in center of the bumper which gives more active impression to XV that suits various leisure-time activities.

## Exhaust Resonance in common range is reduced! Vehicle Comfort & Engine Response are Improved!

Exhaust drone is reduced by not making pipes diameter bigger compared to the stock muffler. The engine response is improved by optimization of the shell structure.

Vehicle comfort on the street is maintained by silencing the muffled noise in common rpm range.
